

CARACAS CATERING

DIY COCKTAIL PARTY

If you are looking for some special finger food to offer your guests, we can help you with mini arepas, tequeños, croquetas and so on. Since you are taking the credit, you have to put a little work into it. You can also recreate at home our flavored mimosas. Choose from passion fruit, pomegranate or blood orange purée. Top up with your favorite sparkling wine or champagne et voilà! *Make sure you have a toaster oven (or standard) to finalize baking the arepas. Simple instructions can be found at the end of this menu. Please order 24-48 hours in advance.*
